## FREQUENTLY ASKED QUESTIONS

This document is being provided as a Quick Reference to some of the most commonly asked questions relating to the Chicago Park District Concession Program. These answers do not complete the scope of requirements for this Program, nor does it replace or take precedent over the operating requirements outlined in the Notice of Availability packet.

---

### 1. HOW DO I APPLY FOR A PERMIT/LICENSE TO SELL MY PRODUCTS IN THE PARK OR ON THE LAKE FRONT?

ANSWER: There is an application enclosed in this Notice of Availability (NOA) packet. Please complete it and submit it to **Park Concession Management, LLC 7059 South Shore Drive, Chicago, IL 60649.** Before completing and signing the application, we encourage you to review the entire contents of this packet. It contains a list of available locations and information on the sponsorship program. If you are selected to participate in the Chicago Park District's Concession Program, you will be contacted to negotiate a "Concession Permit Agreement" for the season.

---

### 2. WHAT ARE THE FEES TO OPERATE A CONCESSION?

ANSWER: At a minimum, you should plan for:

- **Base and/or Percentage Fee** - All permit agreements will have a fee associated with each location which is known as a base fee and in some cases a percentage of sales may also be charged as a percentage fee.
- **Annual Business License Fee** - \$150.00 (\$100 for non-food concessions). This fee may increase for permanent facilities and café's with seating;
- **Performance Deposit Fee** - \$400.00;
- **Food Sanitation Inspection** - These fees range from \$50 to \$150 depending on the type and size of the concession location.
- **Insurance** - **Minimum liability policy limit shall be, but not limited to, \$1,000,000 per occurrence and \$2,000,000 in the aggregate. You will be required to name the Chicago Park District and Park Concession Management, LLC as additional insured on a primary and non-contributory basis.** (You will have to shop around; many companies quote a minimum rate of approximately \$750 for an annual policy).
- **Registration fees for a Foodservice Sanitation Class** (approx. \$320.00/person);
- **Concession Facility** - you must purchase your own concession facility (i.e., cart, trailer, or kiosk).
- **Operational Expenses** - costs of services provided by the Park District, including but not limited to: utilities, trash removal, water, etc.
- **Additional Expenses** - other costs may include but are not limited to: general maintenance, repairs, signage, landscaping, pest control, employee uniforms, clean-up, and beautification.

---

### 3. WHAT ARE THE HEALTH AND SANITATION REQUIREMENTS?

ANSWER: In addition to the CPD License, you must attend a Food Service Sanitation Course. Each concession must have at least two (2) persons certified with the City of Chicago Dept. of Health as a Food Service Manager, and must have available for review a copy of the Food Service Manager Certificate. The City Colleges of Chicago, the Illinois Restaurant Association, and the Bio Test Lab Office offer these classes. All locations must also pass an inspection conducted by Park Concession Management, LLC.

---

4. WHAT IF THE LOCATION I WANT TO SELL IN IS NOT ON THE LIST OF AVAILABLE CONCESSION OPPORTUNITIES?

ANSWER: The Chicago Park District will entertain any and all proposals/ideas for locations. However, any proposal is subject to Chicago Park District approval.

---

5. I HAVE A PEDDLER'S LICENSE. CAN I USE IT IN THE PARK?

ANSWER: No! The Peddler's License is issued by the City of Chicago for city property. The Chicago Park District issues Permit Agreements for Park District property, which includes parks, beaches, lakefront property and Buckingham Fountain. If you are found selling food, commodities or services on Park District property without a Concession Permit Agreement, you may be subject to a fine and confiscation of your products and/or equipment.

---

6. WHERE CAN I GET A CART, TRAILER OR KIOSK?

ANSWER: You are responsible for finding and securing your own concession cart, trailer or kiosk which meets the design guidelines of the CPD. The concession type must first be approved by the Park District. PCM will request a sample photo or drawing of your proposed concession facility. Park Concession Management is available to guide you through the process in securing your concession facility.

Final Note: We realize that you will be anxious to get started with this process, but we strongly urge applicants NOT to spend any money relating to the Concession Program until you have been officially notified that you have been awarded a Permit Agreement. If you do not already own a concession unit, you may want to begin your search in order to know where to get one and how much it will cost you. However, any money spent before official notification of approval will be at your own risk.
